

AMBERLEY REFUSE & RECYCLING - Sign Up

Approved Contract for the coming year: 7/1/22 to 6/30/23

AMBERLEY BOARD is pleased to announce that we will continue the current trash contract for refuse and recycling services, without a price change. But our contractor Goode has merged with WB Waste (www.wbwaste.com).

Contract Status

Pickups will continue to be twice a week, with a separate day for recycling.

The Board's contract meets our Bylaws requirements, which requires us to offer trash service for the entire Community.

SERVICE DETAILS (save this portion for reference)

Trash Pick ups are **TUESDAY** and **FRIDAY** mornings, Curbside Recycling on **WEDNESDAY**.

- Place refuse and recyclables out by 7:30 am on pick up days. Use a secure trash can to keep the bags safe from animals.
- Amberley's contract does not include yard waste. Small amounts of yard waste can be included with standard trash, if properly bagged as garbage.
- **Recyclables** may be mixed in the same container, if needed. Recyclables must be AT the curb for pickup. **NO PLASTIC BAGS** can be in the mix, or the materials are worthless for recycling and cannot be picked up.

Contacting WB Waste about service issues

In addition to informing me of pickup issues, you have two ways to contact WB Waste for direct service. WB Waste is a large company with a customer service department:

Cost (7/1/22 through 6/30/23)

AMBERLEY ASSOC. MEMBER

\$ 300 - Standard service/curb recycling
(Curbside pickup)

\$ 414 - Premium service/curb recycling
(at side of house/ garage)

AMBERLEY ASSOC. NON-MEMBER

\$ 375 - Standard service/curb recycling

\$ 489 - Premium service/curb recycling

You can also pay with VENMO:

@Amberley-Fund

A reminder: do NOT designate your Venmo payment as payment for a service - it should be a personal transfer.

PHONE: 410-768-1900

**Email: customerservice@wbwaste.com
account # 150089216**

The Service Details (con't)

- The materials that can be recycled are the same as the county allows. Many types of plastic and paper are recyclable; check here: http://www.aacounty.org/departments/public-works/waste-management/Materials_Accepted
- Flatten cardboard boxes. Unflattened cardboard and oversized cardboard reduces the capacity of the truck. *(cont. - over)*

Please return the portion below with your check or email it as a record of your VENMO payment by June 24, 2022.

Resident(s) Name: _____

Address _____ Phone _____

Email Address(s) (optional) _____

Other Household members (optional) _____

Association Members

[] \$ 414 Premium service

[] \$ 300 Standard service

[] \$ 75 Amberley Assoc. Membership 2022-2023 yr (NOTE! Separate check: *Amberley Community Association*)

Non-Association Members

[] \$ 489 Premium service

[] \$ 375 Standard service

Return this portion with your check

- For bulk items or special pickups, WB Waste must be notified at least two (2) days in advance. WB Waste will negotiate the terms of the pickup with the resident and asks for payment the day of service.
- Christmas trees can be placed by the curb for pickup, but must be cut in half so as not to jam the compactor.
- The **six major holidays** will be observed. ***If pick up is ON one of these days, pick up is the next day. If pickup is the DAY AFTER one of these days, the pickup is rescheduled TWO days after the Holiday, and Recycle is pushed back a day.*** New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, Christmas Day
- Days when **schools are closed for snow or ice** will also stop pick-ups —***with a pick up scheduled the next day.***

WB Waste Follows County Rules

THANK YOU for complying with WB Waste's (and AA County's) request to bag and tie trash. This speeds service, holds down the cost, and keeps the community clean. Households are responsible for proper securing of their bags.

- Please consolidate multiple small plastic bags into 13gal. or larger bags to allow WB Waste to work efficiently and neatly.

- Please use a covered trash can if you put out your trash the night before. Bags attract animals. If animals strew the trash or tear up the bags so they can not be lifted intact, WB Waste will not be able to collect the trash.
- Please observe the County bag and weight rules (4 Bags, max 40 lbs. each). This ensures that the bags do not break and spill trash on the property. While we do not have Yard waste recycling, you can place small amounts in your standard trash, as long as you follow trash rules. Be particularly careful if your bags contain lawn debris since the sharp branches can cut the bag open if packed too tightly. Just go for another bag and reduce the weight of the first one to avoid a rupture to the plastic or to someone's back!

Additional Items

Pay your Community Dues - Save a stamp and pay now. Association dues are \$75 (separate check to Amberley Community Association, or Venmo payment - @Amberley-Fund)
